About PROJECT

We use Tailwind CSS to style the frontend and develop a complete backend API with Express. For state management, we'll implement Redux Toolkit along with Thunk to efficiently asynchronous requests. For authentication and authorization, we'll be using JSON web token. For uploading images we'll use cloudinary image API. For payments, we will use PayPal payment gateway. In the end, we will also look at how to deploy the app on Vercel. This project is ideal for anyone looking to build a real-world full-stack MERN application or add a strong project to their portfolio.

ADMIN NAVBAR

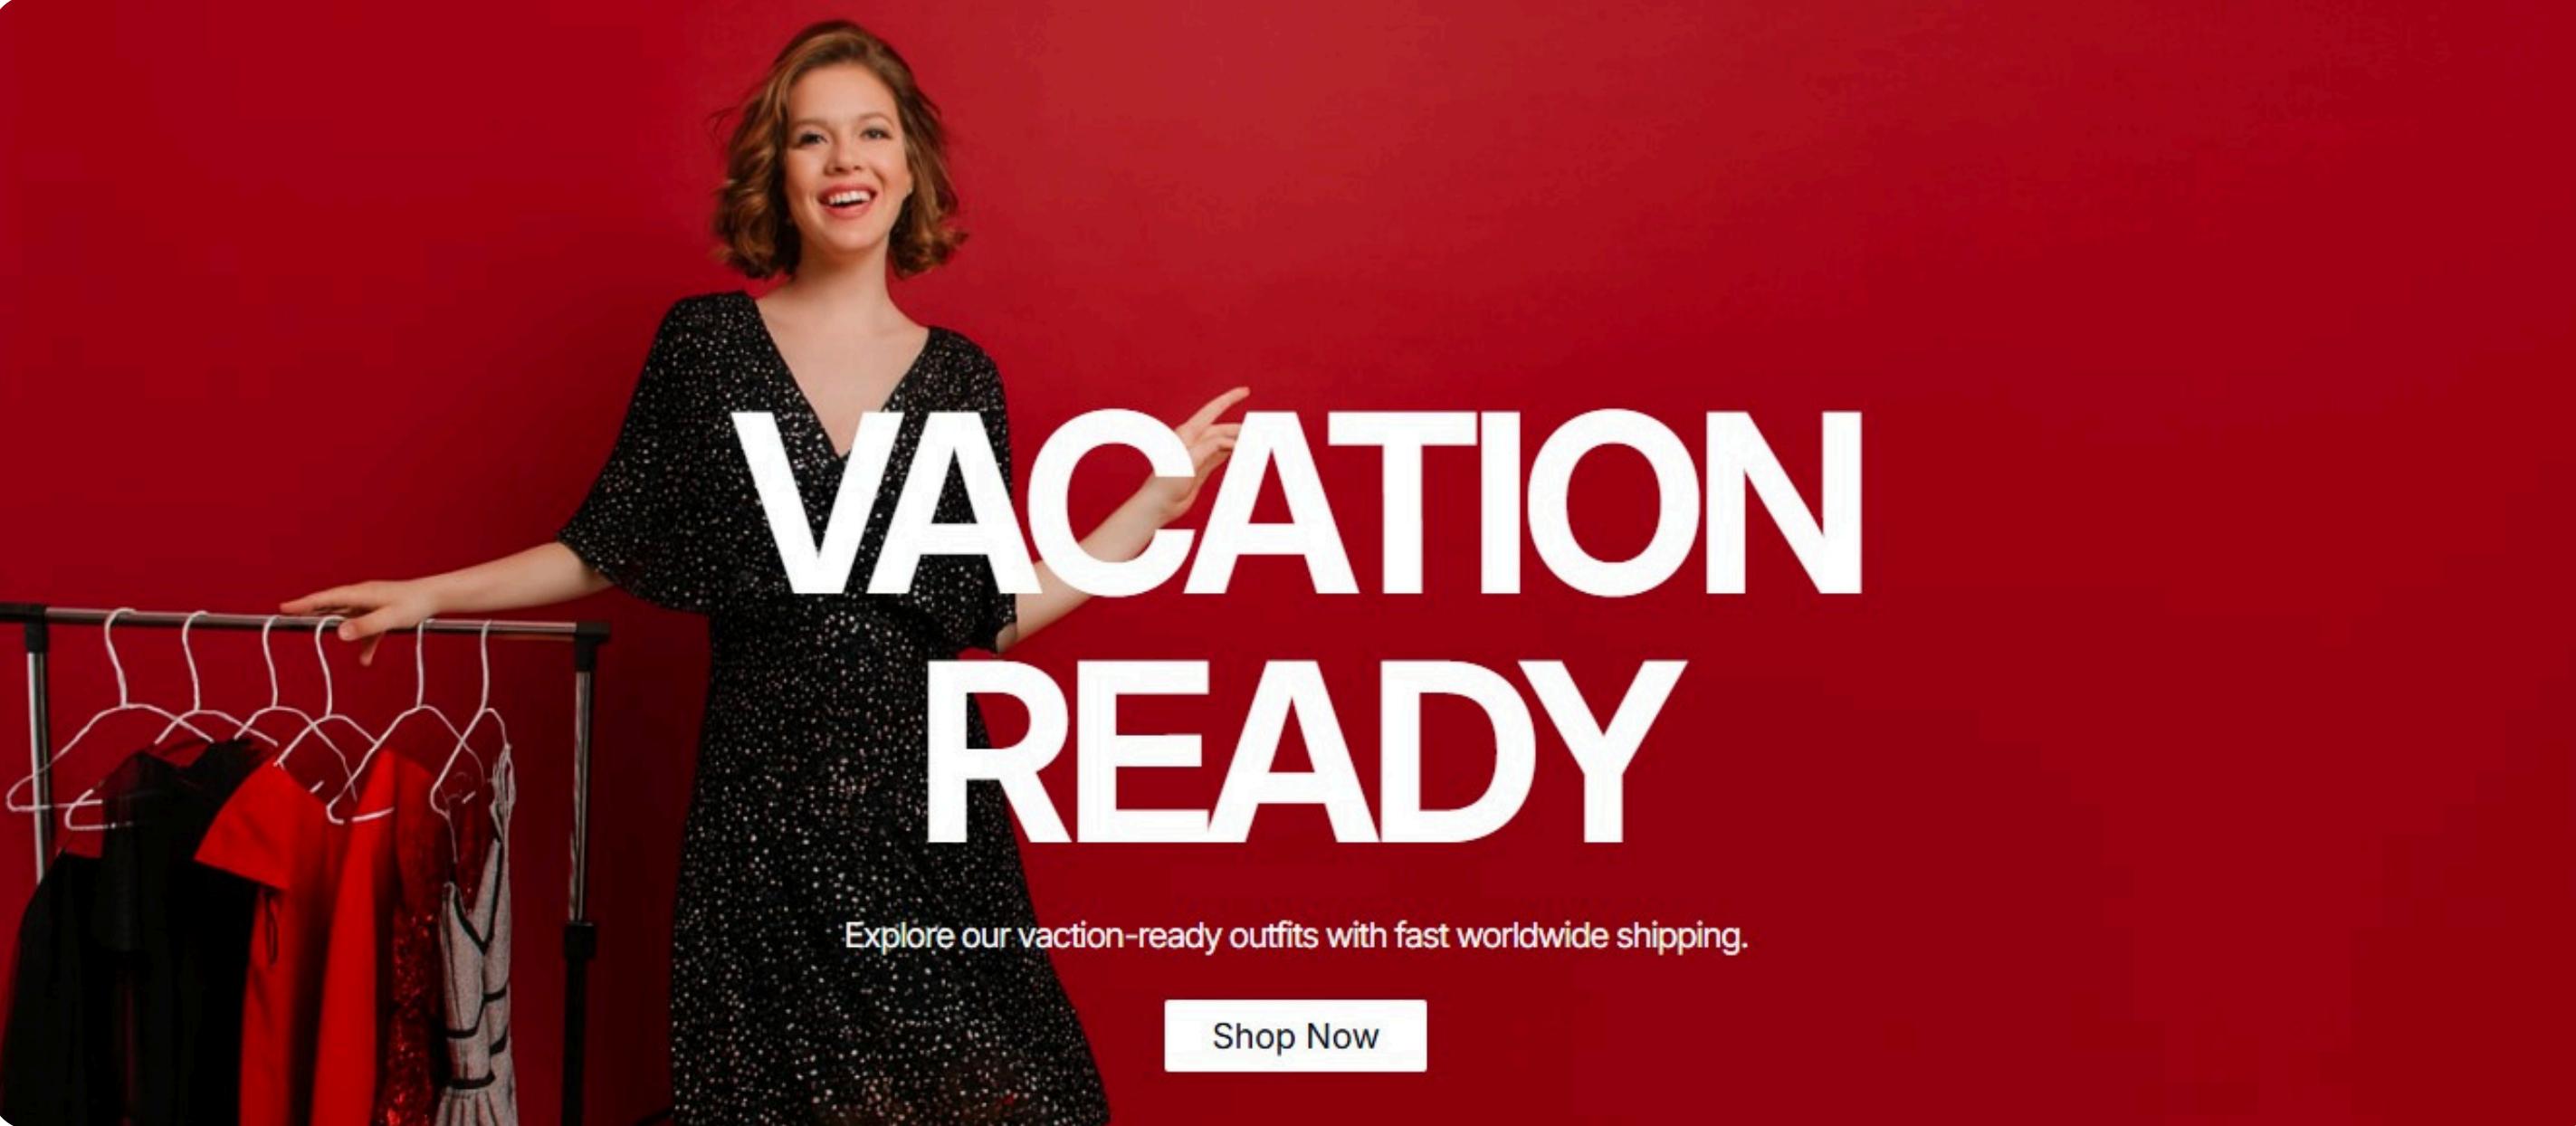

The screenshot shows a red header bar with social media icons (infinity, Instagram, X) on the left, a message "We ship worldwide - Fast and reliable shipping!" in the center, and a phone number "+1 (234) 567-890" on the right. Below the header is a white navigation bar with the H&M logo on the left, and categories MEN, WOMEN, TOP WEAR, and BOTTOM WEAR in the center. On the far right of the navigation bar are buttons for "Admin" (in a black box), user profile, shopping bag, and search.

Product Name

Classic Oxford Button-Down Shirt

Description

This classic Oxford shirt is tailored for a polished yet casual look. Crafted from high-quality cotton, it features a button-down collar and a comfortable, slightly relaxed fit. Perfect for both formal and casual occasions, it comes with long sleeves, a button placket, and a yoke at the back. The shirt is finished with a gently rounded hem and adjustable button cuffs.
